Session Summary from May 2025 Meeting:

Pastor Mark opened our meeting in prayer, and presented a devotion anchored in Matthew 6:33, focusing on how pursuit of God now will lead to confidence and support at the end of life. As death has been an immediate reality for our Church family recently and many of our number are dealing with the natural grief of death, this need is particularly urgent for our church family. Evangelicalism can fall into a myopic fixation on salvation as a single moment in time, but healthy Christians will grow and cultivate a longing for Christ and His presence after life. We reviewed numerous shepherding concerns, and Pastor Mark prayed for those needs and many families and ministries of the church. Our docket this month was light, so we spent some time praying for one another and our families, as well. Our next regular meeting will be June 24th.
